

How to find the Library Service

- Enter the hospital through the cycle storage area
- There is a door on the right hand side which leads to a lift and stairs to the first floor admin area
- Go through the door and you will see two or three chairs that look like this:

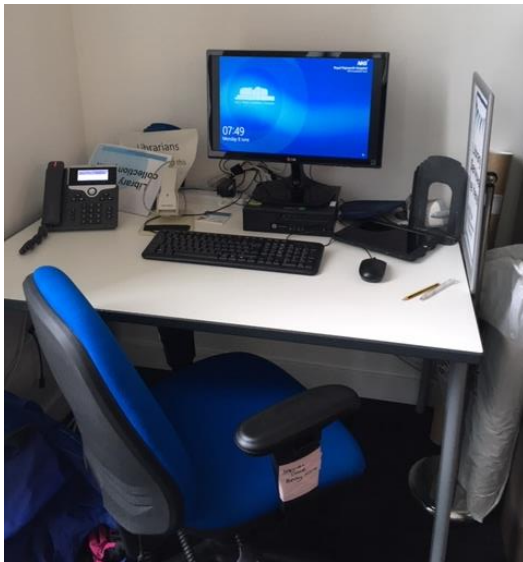

- Turn left and keep walking down this corridor. Stop just before you get to the double doors at the end:

- Turn to the right and you will see our book returns unit:

- Turn to the left and you will see socially distanced desks - ours is the one in the very corner against the back wall with the blue chair

- If you have reserved a book for 'click and collect', it will be through the next set of double doors. On the right hand side, you will see the book trolley.
- If you would like to see us face-to-face, please make an appointment for Mondays or Thursdays.
