

## Health Literacy e-learning

If you would like the health literacy e-learning to be added to your MyESR training record, please access it via [MyESR](#) rather than E-learning for Health.

1. Login to MyESR
2. Go to My learning
3. Search by learning certification – 175 Health Literacy (see below).

The screenshot shows the 'Learning' section of the MyESR interface. At the top right, the word 'Learning' is displayed. Below it is a search bar with a dropdown menu set to 'Learning Certification', a text input field containing '175 health Li', an 'Exact Phrase' checkbox, and a blue 'Go' button. Underneath the search bar, there is a breadcrumb link 'Learning: Current Learning >' and a main heading 'Learning Certifications'. A sub-heading reads 'Click the links to see details. For different results please re-enter Search Criteria.' Below this is a toolbar with icons for search, refresh, settings, and a list view. A table with one row is visible, with the header 'Certification Name' and the entry '175 Health Literacy - eLearning'. A scroll bar is visible at the bottom of the table.

This e-learning does not need to be repeated and will stay on your MyESR record. You have 2 months to complete it after enrolling.
