We will keep you updated with all known publications achieved by Papworth staff with monthly and quarterly updates. All publication data provided by the Library is based on known publications. Please do let us know if you have an upcoming publication.

https://thorax.bmj.com/content/76/Suppl_1/A77.1

Schwiening, M., D. Pandya, et al. (2021). "Patterns of cytokines and growth factors in pulmonary arterial hypertension patients with bmp2 mutations and pah patients without driving mutations and their influence on survival." Thorax 76(Suppl 1). https://thorax.bmj.com/content/76/Suppl_1/A55.2

Thomas, M., J. Hull, et al. (2021). "An rer of 1.05 should not be used to determine Maximal effort during cpet." Thorax 76. [link]

Here to help...
If you are interested in writing for publication and would like support from the Library to perform an evidence/literature search for you or to complete training in evidence/literature searching or critical appraisal, please email papworth.library@nhs.net for further details.

Also email us if you wish to be added to our PapPubs mailing list.

Please follow us on Twitter @royalpaplib. We tweet all #PapworthAuthors publications. If you have a twitter handle, please let us know and we’ll tag you.
