Key points of this document

- Terms of Reference for the Strategic Projects Committee of the Board of Directors.
- These terms of reference will be available on the Trust's intranet.

1 Constitutional Authority:

1.1 The Strategic Projects Committee is a Committee of the Board of Directors. The Committee has no powers, other than those delegated in these terms of reference.

2 Purpose/Objectives:

2.1 The Strategic Projects Committee exists to provide a formal forum for the collective ownership and oversight, by senior clinical and non-clinical leads, of the Trust's strategic projects/transformation plans in respect of the following programmes:

- New Papworth Hospital (NPH) Post Project Evaluation.
- PFI Building issues and Estates Action Plan
- Sustainability/Green Plan
- Papworth Project Forum – as necessary
- Working with our Partners – as necessary

- Integrated Care System Development
- Heart and Lung Research Institute (HLRI aka Project Atria)
- Strategic Digital Projects

and any other projects upon the request of the Executive Committee or that the Board of Directors may determine.

- 2.2 To receive and review comprehensive project plans and performance metrics in respect of quality and finance and to oversee the suitability of programme and project arrangements.
- 2.3 To monitor and review performance against agreed transformation plans and to provide critical challenge and support to colleagues in pursuit of their delivery within agreed deadlines.
- 2.4 To prevent the realisation of adverse impacts on the quality of care through robust quality impact assessments and early identification of risks and issues.
- 2.5 To receive regular reports on the action being taken to remove or mitigate the principal risks, and to review and approve updates, monitor controls and examine assurance sources.
- 2.6 To ensure alignment of key programmes and projects to Trust strategy, ensuring opportunities for cross-organisational projects are identified and enabled, utilising the corporate Risk Register and the Board Assurance Framework
- 2.7 The Strategic Projects Committee will provide assurance to the Board of Directors that strategic projects/transformation plans are being progressed as required and will advise the Board of Directors of significant concerns or variance to plan that have the potential to adversely impact delivery of the Trust's clinical vision and strategic plans.

3 Delegated Authority:

TOR018 Strategic Projects Committee of the Board of Directors: Terms of Reference
Version 7 Review Due: 31 March 2023

3.1 The Strategic Projects Committee is authorised by the Board of Directors to investigate any activity within its terms of reference, and to seek any information it requires from staff, who are requested to co-operate with the Committee in the conduct of its inquiries.

3.2 The Strategic Projects Committee reports to the Board of Directors

4 Duties:

4.1 Promote an integrated approach to the achievement of delivery targets through adoption of the principles of collective accountability.

4.2 Role model the leadership, values, beliefs and behaviours set out in the NHS Constitution to optimise staff engagement in all service developments and improvements that impact patient outcomes and experience and/or the Trust's strategic direction

4.3 Consider recommendations in respect of initiation or cessation of transformation plans, informed by the findings of robust quality impact assessments, and their alignment with the Trust's Strategy.

4.4 Maintain and review an action checklist in respect of transformation plans.

4.5 Hold one another to account for delivery of agreed plans within deadline and in accordance with agreed escalation arrangements.

4.6 Provide challenge and suggestion in respect of the identification and mitigation/control of related risks and issues and report issues/concerns to the Board.

4.7 To ensure strategies and plans are fully aligned with plans in the wider health economy, and there is a demonstrated commitment to system-wide collaboration and leadership.

- 6.9 Each Programme Manager will provide and present a highlight report to every meeting of the Strategic Projects Committee.
- 6.10 The programme managers will provide risk management reports and issues log to every meeting of the Strategic Projects Committee to ensure that risks are identified and managed and issues resolved.
- 6.11 Strategic Projects Committee action notes will be circulated within 3 working days.

Minutes of the Strategic Projects Committee meetings should be formally recorded and distributed to members within 10 working days of the meetings.

7 Equality Statement:

The Strategic Projects Committee will ensure that these terms of reference are applied in a fair and reasonable manner that does not discriminate on such grounds as age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race including nationality and ethnicity, religion or belief, sex, or sexual orientation.

8 Monitoring/Reporting:

Minutes of Committee meetings should be formally recorded and distributed to Committee Members and Attendees. The Chair will present a written Chair's Report to the Board. Subject to the approval of the Chair, the Minutes will be submitted to the Board of Directors at its next meeting and may be presented by the Committee Chair.

The Chair of the Committee or Executive Lead shall draw to the attention of the Board of Directors any issues that require disclosure to the full Board of Directors, or require executive action.

9 Relationships with other Board Committees:

Board Committees have a shared responsibility to provide assurances to the Board of Directors. As such Board Committees need to work collaboratively, to ensure that all aspects of governance are covered and that the Board receives comprehensive assurances on Papworth Hospital's activities.
