NHS Foundation Trust

Volunteering at Royal Papworth Hospital

**Can you make a
difference?**

Yes you can!

How can you help?

Can you commit a few hours a or a day a week to help?

We have opportunities in the following areas:

- Charity desk volunteer
- Meeting and greeting
- Helping patients and visitors
- Assisting on the wards
- Assisting in the clinics
- Ward visiting
- Pharmacy volunteer
- Ambassadors - Research and Fundraising
- Assisting with general administrative tasks

In the first instance, you may like to come along and shadow one of our current volunteers to see if you would enjoy joining our group of dedicated volunteers.

Become a member of our Patient Carer Experience Group to:

- Share your own experiences
- Attend quarterly meetings at the hospital
- Work effectively with other people
- Contribute to hospital working groups

At Royal Papworth Hospital we already involve people who use our services to help plan for the future. However, we are continually working to improve and develop the ways in which we consult with people to enable them to express their views.

Volunteering at Royal Papworth Hospital

As a member of our Patient Carer Experience Group, you will ultimately contribute to the future of the NHS, in particular Royal Papworth Hospital NHS Foundation Trust.

To become a member you may be a user of our services, a carer, relative or a representative of a local voluntary organisation.

If you are interested in health matters and you positively support patient and public involvement, then we would be delighted to hear from you.

The service is confidential and can be contacted via:

PALS Supervisor
Royal Papworth Hospital NHS Foundation Trust
Papworth Road
Cambridge Biomedical Campus
Cambridge
