

Papworth Mesothelioma Social Group

For people with mesothelioma, their families and carers - socialising and supporting each other.

What is the Papworth Mesothelioma social group?

The Papworth Mesothelioma social group is an opportunity for patients, families and carers to meet, socialise, share ideas and talk freely with supportive people who find themselves in a similar situation.

Meetings vary with events such as cream teas, barbeques or visits to stately homes. We also enjoy presentations from health care professionals and other experts. Every meeting involves tea and cake and the opportunity to chat with other group members.

We also raise money for the group and for Mesothelioma UK.

When and where does the group meet?

Once a month on a Friday afternoon at:

The Village Hall, High Street, Hemingford Abbots PE28 9AH (unless otherwise stated.)

The meetings are usually 13:00 - 15:00. There is also the opportunity for carers and friends to meet nursing staff between 15:00 - 16:00. Meetings are free to attend, so if you would like to come along either give Kate a call, or just turn up on the day.
