

Library and Knowledge Services Training Programme: January/February 2026

We love running our training sessions and are always happy to share our knowledge! However, we've noticed a few too many disappearing acts lately—people booking but not confirming or not showing up. While we totally understand that life happens, we'd really appreciate a quick reply if you can't make it. That way, we can offer the spot to someone else who's eager to join. Think of it like a dinner reservation—no one likes an empty table! Thanks for your understanding, and we look forward to seeing you (for real!) soon.
