

Royal Papworth Hospital 2019/20

Royal Papworth Hospital
NHS Foundation Trust

Our vision

- To bring tomorrow's treatments to today's patients.

Our mission

- To provide excellent, specialist care to patients suffering from heart and lung disease.

Our values

• Leading with **care**

We put patient care at the heart of everything we do.

• Instilling **innovation**

We look for every opportunity to innovate and improve.

• Feeling **valued**

We ensure our staff members feel valued for the work they do.

• Encouraging **excellence**

We encourage excellence in all aspects of clinical and non-clinical services.

Our objectives

Our patients

- We will implement our Quality Strategy (2019-2022) and further embed our Quality Improvement methodology to deliver continuous quality improvement, supporting excellent care and outcomes.
- We will deliver our activity plan and meet our patient access targets.

Our staff

- We will invest in our leaders to enable them to support our staff to deliver excellent patient care.
- We will continue to enhance our reputation as an employer and attract high quality staff to work with us in all roles and departments.

Our resources

- We will deliver a safe and effective move to our new hospital.
- We will deliver our financial plan and recovery programme, supporting the Trust's return to financial sustainability.

Our partners

- We will use the opportunity of our new hospital and location to innovate, develop partnerships with external organisations and further build upon our reputation as one of the world's leading heart and lung hospitals.
- We will work closely with our Sustainability and Transformation Partnership (STP) partners to support delivery of our system plan and, through our leadership of cardiothoracic services, to refine patient pathways to improve outcomes and patient experience.
