## **ClinicalKey Quick Access Guide**

You can use ClinicalKey to access Elsevier ebooks and many Science Direct articles.

Please note that you need to have an OpenAthens account to access Clinical Key. If you don't have one, you can register here <u>https://openathens.nice.org.uk/</u>

To access:

 Go to <u>http://www.clinicalkey.com/</u> You will see the screen below. In the top-right corner, click on Login.

| ClinicalKey* All Types ~ Search   | Q ⊕ Erglish CME/MOC Login Register ③ ≡   |
|   | Browse Y Tools Y   |
| Log in Username Password Forgotten username or password? Remember me Log in > | Log in via your institution         > OpenAthens login         If your institution uses the OpenAthens service, you may log in to ClinicalKey using your username and password for your institution.         > Other institution login         For services other than OpenAthens, log in to ClinicalKey using your username and password for your institution.         Remote access         Access ClinicalKey from outside of your institution's network by enabling remote access. This is strongly recommended for users of the ClinicalKey mobile app. |

3. Once logged in, you will go back to the search screen. To make sure you have logged in, check that your name is showing in the left hand corner. You can now **search by typing the article title or ebook title into the search box.** 

If it doesn't come up when you search for it, you can try browsing instead. Use Browse>Journals or Browse>Books
