

Literature searching e-learning

If you would like the literature searching e-learning to be added to your MyESR training record, please access it via [MyESR](#) rather than E-learning for Health.

1. Login to MyESR
2. Go to My learning
3. Search by learning certification – 175 Literature Searching (see below).

The screenshot shows the MyESR interface. At the top right, there are icons for 'Learning' and 'Course'. Below these is a search bar with a dropdown menu set to 'Learning Certification', a text input field containing '175 lit', and a 'Go' button. To the right of the search bar is an 'Advanced Search' link. Below the search bar, there is a link for 'Learning: Current Learning >'. The main heading is 'Learning Certifications'. Below this, a message states: 'Click the links to see details. For different results please re-enter Search Criteria.' Below the message is a toolbar with icons for refresh, print, settings, and list view. The main content area shows a table with one row: '175 Literature Searching - eLearning'.

This e-learning does not need to be repeated and will stay on your MyESR record. You have 2 months to complete it after enrolling.

The 3 modules that comprise the 175 Literature Searching course are all below:

175 Literature Searching - eLearning: Courses

Add and manage certification courses. Courses that have passed their end date, or have not reached their start date, do not appear to learners. The learner views courses in the on Catalogue prerequisites defined against the individual courses may prevent a learner from completing the certification.

The screenshot shows the 'Mandatory Components' section. It includes a toolbar with buttons for 'Update Courses', 'Reorder', and 'Add', along with icons for refresh, print, settings, and list view. Below the toolbar is a table with the following data:
