STATEMENT ON RESTRICTION OF PUBLIC ACCESS

The Board of Directors hereby resolves to end the public part of the meeting. There will follow a Part II Board of Directors' meeting to cover in confidence elements of Board business, which is not open to members of the public.

“The Chairman may exclude any member of the public from a meeting of the Board of Directors if they are interfering with or preventing the proper conduct of the meeting, or for other special reasons.”

Due to the NHS operational response to COVID-19 we will be unable to allow the public to join this meeting in person. The papers and minutes of the meeting will be posted to the Trust website as soon as these are approved for publication.

Please be aware that Government social isolation requirements constitute ‘special reasons’ for exclusion of the public as permitted by legislation.
