[Physiotherapy](#)

Databases

Athens accounts are the main method of accessing electronic resources in the NHS in England. [Click here](#) to sign up for an NHS OpenAthens account to access our e-resources.

ClinicalKey is a search tool designed to provide answers to clinical questions. It includes journals, books, practice guidelines, patient education, drug information and MEDLINE citations and abstracts. [Click here](#) to search using [ClinicalKey](#).

UpToDate®

UpToDate is an online information resource that synthesises the most recent healthcare information into verifiable, evidence-based recommendations. To access from within Royal Papworth Hospital [click here](#). To access from outside the hospital site, login with an OpenAthens account: www.uptodate.com

E-Books

There are a large number of E-Books available to you through Clinical Key and these are just a few which might be of interest to you:

Cardiovascular Physiology
Physical Rehabilitation
of the Injured Athlete
Physiology
Physiotherapy
